

MHCC insurance grouping offers member discounts

We are pleased to announce that the NCOSS Community Cover insurance grouping for Mental Health Coordinating Council (MHCC) members is now operational. The grouping takes advantage of the similarities between MHCC's members to negotiate reduced premiums from insurers.

The grouping is open to all MHCC members. Important points to know about the grouping is that all insurances are with Australian authorised insurers, policies have been designed specifically for the community sector, and MHCC members can obtain quotes on any combination of business insurances for any sum insured (up to \$20 million in public liability is available).

To obtain a quote contact the brokers, Aon Risk Services, by email at ncoss@aon.com.au or phone toll free on 1300 363 764 and they will forward you a NCOSS Community Cover proposal form to complete. When you complete the proposal, make sure you indicate that you are a member of MHCC on the top of the first page.

MHCC is excited by the opportunity to assist its members to reduce their costs and we encourage our members to support this initiative as the more members that join the grouping, the better chance we have of negotiating even better prices next year.

To receive a reminder of your insurance renewal, email sandra@ncoss.org.au (subject heading Expiry reminder) with your insurance expiry date and you will be sent a reminder and a proposal form six weeks beforehand. Information to assist you compare quotes is available on www.ncoss.org.au/insurance under the Resources section.

If you would like further information or have questions on insurance you can contact Sandra Handley, the Insurance Project Officer at NCOSS (Council of Social Service of NSW) on 02 9211 2599, ext 104 or email sandra@ncoss.org.au.
